

KOBELCO Genuine Hydraulic Oil 68 has excellent heat resistance, oxidation, and anti-wear property by special formulation (Zn-free & special anti-wear additive).

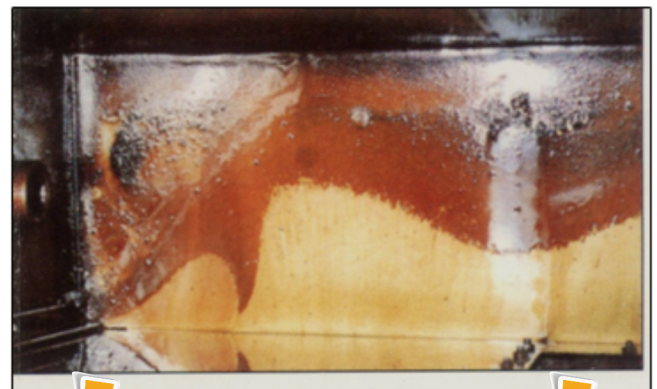

Replication Test (Test Condition: 1000 hours at 80°C and 20.59 Mpa)

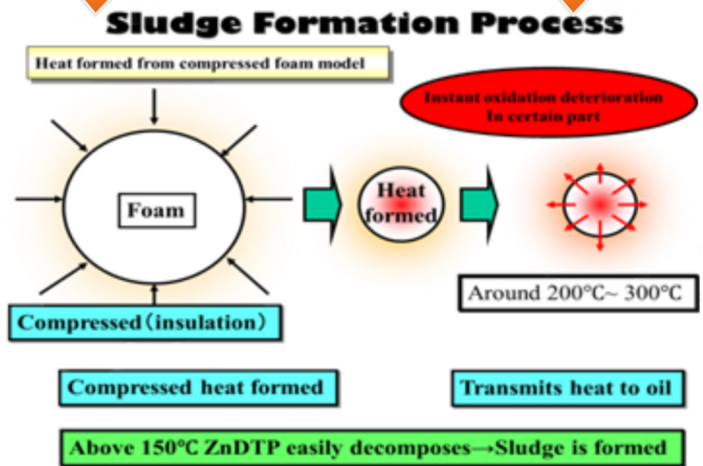

Zinc-Free Hydraulic Oil

This product is high performance of toughness by special formulation.

- Prevent the generate sludge.
- Good performance of anti-oxidation.
- Prevent to cause some wear.

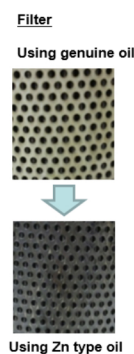

Market Zinc Hydraulic Oil

OXIDATION-RESISTANT PERFORMANCE

High-pressure piston pump test (JCMAS P045)

	NEW OIL	After 400h (Equivalent to 2400h real machine)	After 800h (Equivalent to 4800h real machine)
KOBELCO Genuine Hydraulic Oil 68 (Zinc-Free)			
MARKET OIL (Zn)			

This Genuine Hydraulic Oil can prevent to generate sludge. Our product can keep machine in best performance (Protect Hydraulic Component).
